CANCELLATION POLICY I am aware of the strict cancellation policy of Morrison's Rogue Wilderness Adventures & Lodge and realize that if I am to cancel my trip inside of 24 hours of departure I will forfeit all funds paid to MRWAL. I am aware that I may purchase travel insurance to protect myself in the case of unforeseen events causing the cancellation of my trip with Morrison's Rogue Wilderness Adventures and Lodge.

Forest Fires and Smoke: Occasionally during the season forest fires in the region will cause smoke to settle in the Rogue River Canyon. Just like with rain, we go with smoke or no smoke. Every few years a forest fire will close the Rogue River. Morrisons Rogue Wilderness Adventures does not offer refunds inside of 24 hours from your trip for ANY reason, so the only way to receive a refund for your trip is to invest in trip insurance within 21 days of booking your trip.

(See Cancellation and Travel Insurance Policies on our website or page 1, paragraph 1 of your itinerary)

Please sign below that you understand our cancellation policy.

Area Attractions: Oregon is a very beautiful state with many things to do and see. Crater Lake National Park is very popular, as well as the Oregon Caves National Monument. The Oregon Shakespeare Festival is nearby in Ashland. Performances often sell out; call (541) 482-4331 or <http://www.osfashland.org> for more information. Regional tourism is handled by Southern Oregon Visitors Association. Their website www.sova.org has excellent information about our region. You can also contact the Grants Pass Chamber of Commerce at (541)476-7717 <http://www.visitgrantspass.org> for specific Oregon area brochures.

The Trip Outline for your day

The Morning of your Trip:

½ Day AM and Full Day Trips: meet at **9:30 AM** at the Morrison's Rogue Wilderness headquarters to meet your guide and group, fit for lifejackets, and do

any last minute paperwork. Come to the office dressed in your rafting clothes. A shuttle van will take you on a 10-15 minute ride to the boat landing after which you will float for around 2 hours before reaching Morrison's Lodge. This is the end of the Half Day AM trip (Lunch is not included). If you are continuing on for the full day trip, lunch will be served around noon, where participants will connect with the half day pm trip. After lunch you will be on the water for approximately 3 hours. Participants can expect to be back between 4:30 and 5:00pm.

If you are on a ½ Day PM trip: Please be at the office at 11:30 am for instructions and life jacket fitting. After fitting lifejackets, you will be driven to Morrison's Lodge for a gourmet meal before heading out to the river for the afternoon. Show up hungry! Your cars can be parked in our lot while you're on the water and your keys can be stored in our key box in our office.

If you are staying at Morrison's Lodge: Please notify the front desk when checking in that you are on a rafting trip with MRWA. If you are on a **Full Day Trip or Half Day AM trip**, they can arrange for a shuttle to pick you up and bring you to our starting point, MRWA headquarters. Please bring only what you will carry on the raft: leave all non-essential items and valuables (including keys!) behind. You will be brought to the lodge at the end of the day and will not return to MRWA headquarters to retrieve left behind items.

If you are on a **HALF DAY PM TRIP**, please inform the front desk when you check in that you are on the trip so we know where to meet you. We will meet you at Morrison's lodge at 12:00 pm to start our adventure together with a delicious lunch. Show up hungry!

Guides and Rafts

We use rafts that carry you and your gear. Your guides will always be on the water rowing a boat.

Paddle Boat: Paddle boats are fifteen to sixteen foot boats that are powered by the paddle strokes of the crew. The guide typically sits in the back with oars and a small frame and gives paddle commands to four to six paddlers. Helmets are not required for day trips.

Inflatable Kayak (IK): IK's are small, one man kayaks. One IK will be available per raft for everyone to share. The IK provides the opportunity to run the rapids of the Rogue River under your own power and direction. The guides will give instruction for the Iks before the trip and direction for the rapids while on

the water. We have only single kayaks on our guided trips.

Additional Information

Participant age and ability: We are excited to take down participants from ages 6-106. Children 5 and under unfortunately are not allowed. We ask that all participants are able to maneuver up and down soft rocky slopes, as well as be able to sit on a rubber raft with no back support for at least 3 hours at a time.

Guides: Our guides have a deep appreciation for the river and its surroundings. MRWA guides are accomplished in outdoor skills and extensively trained in First Aid and CPR. They will be more than happy to help you if you have any questions about the river. Guides will be rowing the rafts on the trip.

Gratuities: We are often asked if tipping is appropriate. Tips are certainly appreciated by our guides. How much you tip should depend on your satisfaction with the trip, your feelings about tipping, and your financial means. A regular tip is 10% to 20% of your trip payment, just like a server. **(Please bring cash or a check to tip, tips cannot be added to your reservation or put on a credit card).**

Meals and Alcohol: Morrison's Lodge provides lunch for the full day and PM trips. It is a choice between a healthy wrap or a gourmet sandwich with several delicious sides.

Fruit juice and water are available with every meal.

Alcohol is not allowed to be consumed on the river. We reserve the right to remove you from a trip if a controlled substance or alcohol inhibits your behavior.

Cancellations: We strictly adhere to our cancellation policies as explained on your (or your group organizer's) reservation form.

Registration Form & Health Information: If there are any medical considerations (such as allergies, heart conditions, etc.), please put them on the registration form or call us. We ask that you return the form to our office at least 30 days of your trip either by mail, fax, or e-mail.

Communications: **Cell phones** do not work on the river. Phones work in the MRWA parking lot, after that leave them in your car. If you choose to bring them as a camera, please note that it can get wet and be ruined. We strongly suggest purchasing a proper waterproof case or bag to protect it. MRWA is not responsible for lost or broken personal items or phones.

Questions? Please contact our office if you have any other questions about your trip. Once you are on the river, our guides will be happy to answer questions or assist you.

Clothing and Comfort

Appropriate Clothing: Consists of bathing suits, board shorts, and non cotton t-shirts. A light jacket is also a good idea. There will be a small dry bag on each boat for you to put any layers in. **Cotton** should **NOT** be worn during cool or wet weather since wet cotton lowers body temperature.

Footwear: Should consist of a water shoe or a sandal that is **strapped on your foot and will not fall off**. Tennis shoes can also be worn if you don't mind them getting wet. Please no flip flops or Crocs.

Equipment: MRWA provides small waterproof bags for your belongings. We recommend opting in favor of a disposable waterproof camera which are available at the MRWA store. If you choose to bring your cell phone for photos, we recommend bringing a waterproof and shockproof case. You will NOT need a towel.

Pack list

- Waterbottle
